

## Edgebrook Equestrian Rules

These are a few rules that we think are important. Of course, there are numerous policies that we have not mentioned but that should be able to go without saying with the use of common sense and respect. Keep in mind that this is our home so ask yourself, "if this were your home, how would you want people to treat it?" Our number one goal is to maintain a fun and safe atmosphere and with everyone's help, this should be easy!

1. All riders under the age of eighteen and anyone jumping must wear an approved safety helmet with harness while riding. We strongly encourage all riders to wear helmets.
2. No horse may be turned loose in any area at any time (including arenas) except their paddock or stall. Return your horse to the paddock or stall it came from when you finish working it.
3. No smoking, *anywhere, anytime*.
4. No pets.
5. Please keep the wash stall, alleys, and pathways clean. It is your responsibility to clean up after yourself and your horse. No manure, hay, or litter is to be left in the road, parking, barn, or common areas. This is for sanitary reasons, as well as common courtesy. Please note designated dumpsites.
6. Please park in designated areas.
7. Children are to be supervised at all times and are not allowed in the arenas, fields, paddocks, or trails without permission or escort.

8. No motorized vehicles on trails.
9. All required forms must be signed before riding or handling horses.
10. Unsupervised riding is done at rider's own risk
11. No turn out or feeding by owner.
12. Be sure to put all your tack and items back where they belong. Left items will be put in the lost/left plastic bin in the tack room. Edgebrook is not responsible for lost, broken, stolen tack.
13. When riding with multiple people in the arena, be sure to remember proper riding etiquette. This includes:
  - Always pay attention to other riders while riding.
  - Be sure to call "inside" or "outside" to indicate which side you will pass a rider when you are approaching another rider from the rear.
  - When approaching another rider that is traveling in the opposite direction, pass left knee to left knee.
  - Be respectful of the rider and instructor when lessons are being conducted.
14. No tying horses to stall fronts, fencing, or barn posts. Please use designated cross ties or tie poles.
15. Client's guests are the client's responsibility and should be supervised accordingly.
16. Keep feed doors on the stall fronts closed.

I have read these rules and agree to abide by them while at Edgebrook Equestrian Center:
